Article Number: 177826

Safety Instructions:

- If the product is operated via USB, ensure that the power supply is not overloaded.
- Ensure that the outside of the fan does not come into contact with water in order to avoid electrical hazards.
- Keep the cable routing around the desk tidy to avoid tripping hazards.
- The monitor stand is not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- Regularly check the stability of the monitor stand to prevent the monitor from falling over.
