Article Numbers: 167645, 167644, 167643, 167642, 167621

Safety Instructions:

- Not suitable for children under 3 years of age as small parts may be present.
- Make sure that the metal pivot pin does not break under heavy pressure.
- Avoid use in extreme temperatures or in direct sunlight to prevent deformation. Keep the vision panel away from heat sources to avoid deformation of the material. Avoid exposing the vision panels to excessive heat to prevent deformation.
- The display boards are not suitable for liquids or heavy documents, as this could damage the boards. Ensure that the display boards do not come into contact with damp materials to avoid damage. Keep the display board dry and avoid extreme temperatures to ensure material integrity.
- Take care when handling: Sharp edges present. Use the viewing panel with care. Beware of dangerous damage to the vision panels during use to avoid cuts. Avoid direct contact with sharp objects to prevent damage to the vision panel.
- Ensure that the display panel is securely fastened to prevent it from falling and possibly causing injury.
- Do not use the display board to present documents that are exposed to extreme weather conditions.
- Keep the display boards out of the reach of small children to prevent accidental breakage.
- Please use a soft, non-abrasive cloth and suitable cleaning agents for cleaning. Only clean the display panel with a soft, dry cloth and do not use any aggressive cleaning agents.
