Safety Instructions:

- Please note that small parts may pose a choking hazard.
- The product must be mounted on stable, suitable surfaces to prevent it from tipping over or falling.
- Due to the use of metal and aluminium, improper handling could result in sharp edges.
- The electronic equipment should be properly insulated to prevent the risk of electric shock.
- The installation instructions should be followed carefully to ensure that the product is installed correctly and safely.
- When self-assembling, ensure that all fastening parts are properly tightened.
