Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of swallowing small parts.
- Protect from direct sunlight and extreme temperatures to avoid deformation and discolouration.
- Please keep away from fire and strong heat sources; the product is not heat-resistant.
- The box is not suitable for storing hazardous substances.
- For safe use, follow the manufacturer's instructions and do not place excessive loads on the boxes.
- Do not use the box as a seat or for transporting people.
- Avoid contact with sharp objects to prevent damage and scratches.
- To avoid damage, do not store near sources of heat or naked flames.
- Keep the box in a dry environment to prevent material damage.
- Observe all safety and ventilation instructions before use.
- Observe the local regulations for plastic waste during disposal.
- Take care during transport; the handles are only designed for the intended use.
- Do not continue to use the product if it is damaged.
- If used with food, clean the box thoroughly.
- Only use the box on stable, level surfaces to prevent it from tipping over.
- If boxes are stacked, observe the maximum stacking specifications.
