Safety Instructions:

- Not suitable for children under 3 years due to choking hazard from small parts.
- Make sure that the box is stable and is not overloaded or stacked improperly to prevent it from tipping over.
- Do not store near direct heat sources or in direct sunlight.
- Only use the boxes for their intended purpose and under adult supervision.
- Before use, ensure that all closures function properly to prevent unintentional opening.
- Do not use the box for food packaging or for storing chemicals.
- Remove all packaging materials before first use.
- Do not continue to use the box if it is damaged or cracked.
- Only use for dry storage and protect from extreme temperature changes.
- Read the safety instructions on the packaging before use.
