Safety Instructions:

- Not suitable for children under 3 years of age, as small parts may be included or could be torn off.
- Make sure that the boxes are stacked on a stable surface to prevent them from tipping over.
- Avoid open flames or extreme temperatures in the vicinity of the box to prevent deformation.
- Keep the box out of the reach of small children to avoid injury.
- Regularly check the integrity of the clip fasteners to ensure a secure closure.
- Keep out of the reach of children, as the storage box could potentially be misused as a toy.
- Do not use the box to store food, as the material is not certified for this purpose and is not suitable for direct contact.
- Protect from direct sunlight to avoid discolouration and material damage.
- When storing heavy objects, ensure that the stacking limits are not exceeded to prevent them from falling over.
- Younger children should be supervised when handling the storage box, especially when carrying it.
