Safety Instructions:

- Take care not to load the waste bin above the recommended weight to avoid damage and possible injury.
- Keep the waste bin away from children to minimise the risk of injury and improper use.
- Regularly check the stability of the wheels and pedals to ensure safe use.
- Avoid use for hazardous waste that should not be properly disposed of in an appropriate container.
- Follow the cleaning and care instructions to ensure the longevity of the product and avoid risks from chemicals.
- Make sure that the waste bin is placed on a stable, level surface to prevent it from tipping over.
- Use the foot pedal mechanism to open the lid to ensure hygienic handling.
- Seal the waste bin well when it is not in use to prevent animals from entering.
- Clean the waste bin regularly with suitable cleaning agents to prevent hygienic conditions and bacterial growth.
- The waste bin must not be used as a toy by children.
- Not suitable for food packaging, do not bring into contact with food.
- Observe disposal guidelines; dispose of product properly.
- If overfilled, the bucket can be heavy; proceed carefully when emptying.
- Regular emptying recommended to avoid overfilling and possible risk of injury.
- Use in commercial kitchens requires regular cleaning and disinfection in accordance with HACCP guidelines.
