Safety Instructions:

- Make sure that small children do not play with the EPS beads to avoid the risk of suffocation.
- Avoid using the beanbag near open flames or heat sources, as polyester is flammable.
- Make sure that the beanbag is securely positioned and not overloaded to prevent it from tipping over.
- Check regularly for damage and replace or repair the beanbag if necessary to avoid injury and material leakage.
- The product should be used in accordance with the manufacturer's instructions in order to minimise safety risks.
- The product is not suitable for children under 3 years of age due to the risk of choking on small parts.
- Do not use the beanbag as a means of safety or transport.
- Liquids should be wiped off immediately to avoid discolouration and damage.
- The PVC coating on the inside of the cover protects against moisture, but the product should not be immersed in water for long periods.
- Use only under adult supervision, especially for vulnerable persons.
- Prolonged exposure to sunlight can discolour the material; avoid direct sunlight.
- Observe safety precautions when using in public areas.
