Safety Instructions:

- Outdoor use should be avoided in extreme weather conditions to prevent damage to the product.
- In strong winds, the customer stopper should be secured or set up in a safe position to prevent it from tipping over.
- The product is not suitable for children under 3 years of age, as parts could fall off or break.
- Assembly should be carried out in accordance with the enclosed instructions to ensure maximum stability.
- Regular inspections for rust or wear and tear are necessary to ensure the safety of the customer stopper.
