Article Numbers: 189823, 189822, 189820

Safety Instructions:

- May cause skin and surfaces to stick if used incorrectly.
- Not suitable for direct contact with food.
- Keep out of reach of children. Safety information: Small parts may be produced when torn. Choking hazard!
- In case of eye contact, rinse immediately with plenty of water and seek medical attention.
- In the event of skin irritation or allergic reactions, discontinue use immediately and consult a doctor.
- Use the product in accordance with the manufacturer's instructions to ensure safety.
- Make sure that the adhesive on the film is fully cured before you apply it.
- Carefully lift the self-adhesive labels from the backing films to avoid creasing or damaging them.
- Avoid direct sunlight on the labels to prevent the ink and adhesive from fading.
- Store the film in a cool, dry place to ensure its shelf life and quality.
- Make sure that the film does not come into contact with sharp objects to avoid scratches.
- Only use the film with compatible printers to prevent damage to the device.
