Article Numbers: 174276, 174275, 174274, 174273

Safety Instructions:

- Avoid contact with eyes and skin. In the event of contact, rinse thoroughly with water and consult a doctor if necessary to avoid health risks.
- Keep the toner cartridge out of the reach of children and only in areas accessible to adults to avoid contact with children.
- Only use the toner cartridge with the recommended Lexmark printers.
- Protect the cartridge from direct sunlight, extreme temperatures, high heat and moisture.
- Dispose of used toner cartridges in accordance with the local regulations for electrical and electronic equipment or the local regulations for waste disposal.
- Avoid direct skin contact with the toner powder; use hand protection when removing or inserting the toner to prevent skin irritation.
- Do not leave small parts within reach of children to avoid the risk of suffocation.
- Correct handling of the toner cartridge is required to prevent fire or injury.
