Please note the technical data of the products!

Article Numbers: 189846, 189845, 189844

Safety Instructions:

- Not suitable for direct contact with food.
- Make sure to use the film in a well-ventilated area, as printers can produce harmful vapours.
- Keep the film out of the reach of children to avoid choking or health hazards from adhesives and chemicals.
- Use only in intended applications; not suitable for extreme temperatures or chemical solutions.
- Avoid contact of the film with very greasy surfaces.
- Only use the film in accordance with the intended printing and application instructions in order to avoid damage.
- Store the film in a dry place to maintain its weather resistance.
- The film could cause damage to sensitive surfaces if handled incorrectly.
- Not suitable for children under 3 years of age as small parts can be swallowed.
- Please observe the instructions for use of the pressurised device to avoid overheating.
