Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed. Toner should not be stored near children to avoid health risks.
- In the event of contact with skin or eyes, rinse the toner thoroughly with water to avoid any adverse health effects.
- Toner cartridges are not suitable for consumption. Do not inhale toner and avoid skin contact.
- Dispose of toner cartridges in accordance with local regulations for electronic waste or hazardous waste. Do not dispose of them in household waste.
- Only use the toner in a well-ventilated area to avoid harmful vapours.
- Avoid using the printer or toner near water or other liquids and keep them away from naked flames.
- Avoid the improper use of toners to minimise the risk of fire.
- Dispose of packaging and empty toner cartridges properly to avoid environmental damage.
- To ensure safety, only use the printer in suitable devices and do not open or modify the toner.
