Safety Instructions:

- Keep the mouse away from water, moisture and heat sources to avoid electrical risks and damage.
- Avoid exposure to extreme temperatures and only use the product on solid and stable surfaces.
- Not suitable for children under 3 years of age as there are small parts. The mouse is not a toy. Keep out of reach of children to avoid choking hazard.
- Read the operating instructions thoroughly before use to ensure that the mouse is used safely and as intended.
- Disconnect the USB cable from the power source when the device is not in use and remove the battery if it will not be used for a longer period of time.
- The Plug & Play function does not require any driver software.
- Regular cleaning of the mouse is recommended to ensure optimum function.
- Take care when using over long periods of time to avoid ergonomic strain.
- Avoid risk of electric shock due to improper use of electrical components.
