Article Number: 461267

Safety Instructions:

- Before use, ensure that the container is suitable for the storage of hazardous substances.
- Containers may only be handled by trained personnel.
- Observe the applicable environmental protection regulations when disposing of used batteries.
- Ensure that the container is correctly equipped with the corresponding PE inner container and properly closed.
- Do not apply excessive load when stacking the container to prevent it from tipping over.
- Regularly check for rust or damage to the hot-dip galvanised surface.
