Please note the technical data of the products!

Article Numbers: 460675, 460674, 460673, 460672, 460671, 460670

Safety Instructions:

- Use only in well-ventilated areas to avoid the effects of vapours.
- Ensure that all fluids used are suitable for the product and are not hazardous and consult material data sheets.
- Carry out regular inspections of the drip tray for damage, corrosion or leaks and take immediate action in the event of damage.
- Wear personal protective equipment when working with hazardous substances to ensure safe handling.
- Keep hazardous substances out of the reach of children.
- Do not overload the drip tray or use more than the specified maximum load; maximum 4 x 200 litre drums.
- Use only for the storage of hazardous substances and the intended purpose, not for transport without appropriate measures.
- Ensure that the tray is properly cleaned and drained to avoid contamination.
- Use appropriate techniques when lifting the heavy tub to avoid injury.
- When stacking the trays, ensure that stability is maintained to prevent tipping.
