Please note the technical data of the products!

Article Numbers: 170575, 170574, 170573, 170572

Safety Instructions:

- Only use the product in conjunction with compatible devices.
- Keep the USB stick away from extreme temperatures, direct sunlight and moisture to prevent damage and data loss.
- Keep the product away from children. Not suitable for children under 3 years of age due to small parts and choking hazard.
- Avoid mechanical loads and impacts, as these can lead to damage and loss of data integrity.
- Take care not to remove the USB stick from the computer during the data transfer process or improperly to avoid data loss.
- Do not immerse in water or use in damp environments to avoid mould growth or other damage.
- Please read and follow the instructions for use and all safety information carefully.
- Regular data backups are recommended to prevent loss in the event of unforeseen damage.
