

# Product Safety Information

## USB flash drive C5, with 1 x USB 3.0 & 1 x USB Type-C, up to 4.8 GB/s, duplex capable, various storage capacities & colours

**Manufacturer/Responsible Person:** E.T. Technologies (Deutschland) GmbH, Rheinpromenade 8, 40789 Monheim, Deutschland  
**E-Mail:** info@et-tecs.de

Please note the technical data of the products!

**Article Numbers:** 170609, 170608, 170607, 170606, 170605, 170604, 170603, 170602, 170601

### Safety Instructions:

- Do not use near water or other liquids to avoid electric shocks.
- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Read the enclosed instructions for safe use and disposal of the product.
- Store the product in a cool, dry place and protect it from extreme temperatures and direct sunlight.
- Ensure that the product is protected against electrical discharges by connecting it correctly.
- Only use the product in accordance with the stated specification and operating environment (temperature and humidity range).
- Do not continue to use the product if it is visibly damaged.
- Regular data backups are recommended to avoid data loss.
- Ensure that the USB stick is securely inserted and safely removed to prevent damage or data loss.
- Do not use the product in explosive atmospheres.
- Keep the product out of the reach of children.
- Keep your fingers away from the active interface during operation to avoid electric shocks.
- Improper use may result in data loss, so handle with care.
