Safety Instructions:

- When using AUS32 (AdBlue) and chemicals, wear suitable protective equipment such as gloves and eye or face protection to avoid skin and eye irritation.
- Avoid contact with skin and eyes; in case of contact, rinse thoroughly with water.
- Only use for the intended purpose, as improper use can lead to hazards.
- Ensure that the pump is regularly checked for leaks or damage.
- Keep the product out of the reach of children.
- Do not use the pump in explosive or hazardous environments.
- Before using the hand pump, ensure that all chemicals are suitable for the respective application.
- Only use the hand pump in accordance with the supplier's instructions in order to minimise safety risks.
- If you are unsure about the contents of the drum or possible chemical reactions, consult a specialist before use.
- The pump may be pressurised; protect devices from improper handling.
- Do not use for pumping flammable or aggressive substances unless the pump is suitable for this purpose.
- Suitable for use with food.
- Avoid contact with sharp objects to prevent damage.
- Clean thoroughly after use to ensure hygiene.
