Safety Instructions:

- Ensure that no hazardous substances can be accidentally spilt. Take care when handling hazardous substances.
- Lock the hand tap valve properly and keep it dry to prevent unintentional spillage and leaks.
- Use the product properly to avoid injury. Wear protective clothing, such as gloves, and avoid contact with eyes and skin.
- Store the hand tap valve in a cool, dry place, away from heat sources. Keep out of the reach of children.
- Regularly check the valve for wear and ensure safety.
