Safety Instructions:

- Use only on carpeted floors, as use on other floors may result in injury.
- Make sure that the chair frame does not have any sharp edges to avoid cuts.
- The upholstery could be damaged if not cared for properly, which could lead to reduced stability of the product.
- When using several chairs, they should not be stacked higher than the recommended stacking height (3 chairs) to avoid the risk of falling and injury.
- Do not hold any heavy objects on the chair to prevent it from tipping over.
