Safety Instructions:

- Prevent children from using the chair as a climbing object or toy and ensure that they are supervised to prevent this.
- Use the chair on a stable, level surface to avoid the risk of it tipping over.
- Regularly check the chair for loose screws, wear or other defects to ensure safety.
- When assembling the chair yourself, follow the instructions carefully and make sure that all parts are correctly and firmly assembled to ensure the stability of the chair.
- Avoid use in damp environments to prevent material damage.
