Safety Instructions:

- Only use the chair on a stable surface to prevent it from tipping over.
- Avoid sudden turning movements to prevent injuries.
- Not suitable for children under 3 years of age as small parts pose a choking hazard.
- Only use castors on suitable floors to avoid damage and the risk of slipping.
- Carry out regular checks for loose parts or damage to ensure safety.
- Be aware of the risk of suffocation due to loose parts of the chair.
- Risk of electric shock due to improper wiring (for electrically operated variants).
- Risk of overturning in the event of improper use or overloading.
- Take care during assembly to avoid injury from sharp edges.
