Safety Instructions:

- Choking hazard due to small parts if used improperly or especially in the vicinity of children.
- Risk of slipping if the castors are used on an unsuitable surface.
- Risk of injury due to improper assembly of the chair.
- Safety warning for use near stairs or hazardous areas.
- Magnetic parts in the castors can be dangerous if they fall apart.
- Risk of electric shock due to defective electrical components (if relevant).
- Only use the chair on stable floors to prevent it from wobbling or tipping over.
- Keep the packaging away from sharp edges to avoid injury.
