Safety Instructions:

- Caution: Due to its weight (17.6 kg), there is a risk of injury from falling when moving the flipchart. Make sure that the flipchart is placed on a stable surface.
- The castors are smooth-running, but the flipchart should always be locked in place during use to prevent it from rolling away.
- Avoid contact with moisture to prevent damage to the melamine wood panel and the steel surface.
- Use only with suitable board markers that are expressly labelled as dry-wipeable to prevent damage to the board surface.
