Safety Instructions:

- The drip tray is only suitable for indoor use.
- Avoid overfilling the collection tray above the maximum collection volume of 95 litres.
- Carry out regular checks for corrosion or damage to the material.
- Make sure that the drip tray is on level ground to prevent it from tipping over.
- Only use the drip tray in accordance with the manufacturer's guidelines.
- Ensure safe handling of harmful substances.
- Provide clear instructions and safety information to users.
