

Product Safety Information

Mobile filling station CEMO DT-Mobil Easy 440 I, ADR 1.1.3.1

Manufacturer/Responsible Person: CEMO GmbH, In den Backenländern 5, 71384 Weinstadt, Deutschland

E-Mail: kontakt@cemo-group.com

Please note the technical data of the products!

Article Numbers: 139495, 139494, 139493, 139492, 139491, 139490, 139489, 139488

Safety Instructions:

- Handle small parts with care to avoid the risk of choking.
- Only use electrical components properly to minimise the risk of fire.
- Ensure a well-ventilated area during refuelling to avoid hazardous vapours.
- Wear protective clothing (gloves, safety goggles) to avoid skin contact.
- Only use the specified voltage for the electric pump to prevent short circuits.
- Only suitable for diesel fuel, do not use for petrol or other liquids.
- Use a stable, level surface for the mobile petrol station to prevent it from tipping over.
- Regular maintenance of the electric pump and accessories to ensure safety.
- Comply with ADR regulations for the transport of dangerous goods.
- Keep the petrol station away from sources of ignition. Avoid smoking and naked flames.
- Take care when refuelling: Do not overfill with fuel and ensure protection against leaks.
- Only trained personnel may use the petrol station.
- Ensure that the electrical connections are intact before use to minimise the risk of electric shock.
- Avoid using the petrol station in closed rooms without adequate ventilation.
- Carry out regular inspections of the safety devices (e.g. safety pressure valve).
- Read and follow the operating instructions carefully before commissioning.
- Keep children away from the petrol station.
