Safety Instructions:

- Observe safety information on the storage and handling of flammable and water-polluting substances.
- Handle the grating and filling racks in accordance with the applicable regulations to prevent leaks.
- Only move the IBC station with suitable lifting equipment (e.g. forklift truck or pallet truck).
- Avoid skin and eye contact with hazardous substances.
- Check the product regularly for damage during use.
- Regular inspection and logging due to the material's sensitivity to corrosion.
- Safe storage of flammable liquids of GHS 1-3.
- Caution when handling water-polluting substances of GHS 1-4.
- Safe handling and transport with pallet truck or forklift.
- Necessary safety information and instructions must be provided.
