**Article Numbers:** 34181, 139230, 139229, 139228

### Safety Instructions:

- The drip tray may only be used for the intended applications.
- Only use for the storage of water-polluting substances in accordance with legal regulations.
- Be aware of the dangers of flammable liquids and take appropriate precautions.
- The drip tray is not suitable for storing food.
- Ensure that the drip tray is standing stably on a level and stable surface.
- Regular inspection of the drip tray for cracks, damage or leaks is necessary.
- The drip tray must be securely locked in place.
- Take care when handling hazardous substances; observe hazard classes GHS 1-4.
- Store water-polluting substances in accordance with local regulations.
- Avoid contact with flammable hazardous substances and aggressive chemicals unless the tray is suitable for their use.
- Hazardous substances may escape if the drip tray is overfilled.
- Disposal in accordance with the applicable regulations for hazardous waste.
- Suitable personal protective equipment (safety goggles, gloves) must be worn when using the drip tray.
