Safety Instructions:

- Use carefully to avoid overfilling and ground contact with the AdBlue® solution.
- Do not use if the tank shows signs of wear or is damaged.
- Ensure compliance with the general safety regulations when handling chemical substances.
- Ensure that the operating area is well ventilated to avoid vapours.
- Child safety: Keep away from children and ensure that children do not play with the appliance.
- If you have any questions or problems, stop using the appliance immediately and contact the manufacturer.
- Store in a cool, dry place to prevent AdBlue® from overflowing or leaking.
- Wear protective clothing (gloves, safety goggles) to avoid skin and eye irritation.
- Use only for the intended operation to minimise the risk of accidents or damage.
- During use, ensure that the submersible pump is not operated outside of the water.
- Contact the manufacturer immediately in the event of leaks or other problems.
