Safety Instructions:

- Only use the mobile refuelling station for the liquids concerned, such as AdBlue®. Other substances can lead to dangerous reactions.
- Ensure that there are no naked flames or sources of ignition in the vicinity when the mobile petrol station is in operation.
- Wear appropriate personal protective equipment (PPE), including gloves and eye protection, when handling AdBlue®.
- Ensure that the mobile petrol station is securely and stably positioned to prevent it from tipping over or spilling.
- Regularly check for leaks or damage to hoses and the pump to ensure that they are in perfect condition.
- Always keep the operating instructions and safety instructions to hand and follow them during use.
