Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- Keep the product away from extreme temperatures and moisture to ensure quality.
- Avoid contact with naked flames, as the plastic is flammable.
- Follow the recommended storage conditions to ensure optimum utilisation.
- Take care if used incorrectly, as there is a risk of leakage if the refill is pressed hard.
- Do not use for filling non-compliant liquids.
- Store accessories separately to avoid the risk of suffocation.
- Do not store or use the product above 50°C.
- Avoid direct contact with the eyes when writing.
- Only use the product for its intended purpose.
- Dispose of the product in accordance with local regulations for plastic waste.
- The ink may cause skin or eye irritation if handled improperly. In case of contact with eyes, rinse immediately with water and seek medical attention.
- Do not take. In case of accidental ingestion, seek medical advice and show the product.
- Use by vulnerable persons should take place under supervision.
