Safety Instructions:

- Store flammable liquids safely and keep away from sources of ignition.
- Only use the product in well-ventilated areas.
- Observe the safety data sheets of the stored substances.
- Exercise caution when using sharp objects.
- Only suitable for certain hazardous substances such as 2-stroke mixtures, petrol, diesel, used oil, heating oil or other flammable liquids.
- Ensure that the tray is set up stably and securely to prevent it from tipping over and leaking.
- The product is made of steel; wear protective gloves to avoid injury when handling sharp edges.
- Before use, ensure that the tray is suitable for the intended liquids.
- Regular inspection for corrosion or damage recommended to ensure safety.
- Avoid sealing problems to prevent leaks.
