Safety Instructions:

- The coat rack must be stable and securely mounted to prevent it from tipping over.
- Avoid installation near water sources to prevent electrical hazards.
- Make sure that clothes and objects do not obstruct the closing of the compartments.
- Avoid loading the wardrobe with heavier items than specified.
- Ensure that the product is placed on a stable and level surface.
- Only suitable for indoor use.
- Lockers may only be used for their intended purpose.
- Make sure that the lock is working properly.
- The use of sharp or heavy objects near the compartments can lead to injuries.
- There is a risk of suffocation due to loose parts.
- Suitable for use by adults only, not intended for children under 14 years of age.
- Regular inspection of the locks and mechanics for functionality is recommended.
- Observe the maximum load of the compartments, avoid overloading.
- Use the lockers carefully to avoid injury.
- The wardrobes are only intended for storing clothes.
- Regularly check the durability and functions of the product parts.
- Make sure that the doors of the lockers are properly closed.
- Avoid excessive loads on the shelves and hat racks.
- Instructions for safe installation and use are included.
