Safety Instructions:

- Locker coat rack not suitable for children under 3 years of age due to possible risk of injury through improper use. Product not suitable as a toy; children should be supervised.
- Mount the cabinets stably and securely to prevent them from tipping over. Ensure sufficient stability during installation.
- Make sure that heavy objects are evenly distributed in the wardrobe. To ensure stability, do not store heavy items on top hat shelves. Avoid overloading the shelves and bar.
- Avoid placing unnecessary objects at the ventilation holes or blocking them to ensure proper ventilation.
- Regularly check for stability and functionality. If damaged, take out of service immediately.
- There is a risk of injury if handled incorrectly, especially when transporting heavy objects (e.g. weight of the wardrobe: 63.5 kg).
- Ensure that all parts are correctly and securely mounted to ensure safe and stable use.
- Regularly check the security of the lockers, especially the door locks and their functionality.
- Use only for the intended purpose to ensure safety.
- Set up out of the reach of children to avoid the risk of injury.
- Ensure accessibility of the locker wardrobe to prevent injuries.
- Check the product regularly for damage to ensure safety.
- Avoid standing near sharp edges or corners to prevent injury.
