### Safety Instructions:

- Test on a non-visible area before cleaning to check resistance to disinfectant.
- Use in areas where there is a risk of falling requires special care.
- Not suitable for use by children under 3 years of age as there is no child safety lock.
- Due to the design and the chrome-plated frame, do not touch any sharp edges to avoid the risk of cuts.
- When using as a desk chair, the maximum load capacity must be taken into account and the stability checked.
