Safety Instructions:

- The monitor stand should be placed on a stable and level surface to prevent it from tipping or falling over.
- Ensure that the monitor does not exceed the maximum permissible weight of the stand to ensure that it remains stable.
- Use only for screens that are suitable for use on a stand.
- Keep the stand away from water and other liquids to prevent damage.
- The stand is not suitable for children; it could contain parts that could be swallowed or be dangerous for children if it tips over.
- Check the stability of the monitor stand regularly, especially if it is set at a different height.
- Keep the monitor stand and the surrounding area free of obstacles to prevent falls.
- When using the product to improve ergonomics, it is advisable to take regular breaks to avoid strain on the neck and back.
