Safety Instructions:

- When used in public areas, ensure that no persons are trapped between the room dividers.
- Ensure that the room divider is stable to prevent it from tipping over.
- Take care when setting up near small children, as the feet can pose a tripping hazard.
- Ensure that the magnetic holding bar is used in accordance with the instructions to avoid injury.
- The product may be perceived by children as a toy, even if it is not designed as such.
- Read and follow the installation instructions carefully before use.
- Do not place the product near sources of heat or naked flames.
- If the surface or frame is damaged, stop using the product and dispose of it if necessary.
