Safety Instructions:

- No interchangeable parts; not suitable for children under 3 years.
- To avoid overheating and the risk of fire, do not cover the appliance when in use.
- The LED lamps used in the product are not replaceable; replace the entire product if defective.
- Avoid contact with water and damp environments, as they contain electrical parts and pose an electrical hazard.
- The light must be set up on a stable, level surface to prevent it from tipping over or falling.
- Be aware of the risk of suffocation from small parts, especially in households with small children.
- Risk of electric shock due to improper handling or damage to the cable or light.
- High light output; direct irradiation can lead to overheating or glare.
