Article Numbers: 188344, 187349

Safety Instructions:

- The light must not be used near water sources to avoid electric shock.
- Avoid improper use of the dimmer to prevent overheating.
- The luminaire contains non-replaceable LED lamps; in the event of a defect, the entire luminaire must be replaced.
- Ensure that the clamping foot is adequately secured to avoid the risk of falling.
- The light is only suitable for indoor use.
- The maximum clamping width of 63 mm must be observed to ensure stability.
- Risk of suffocation due to improper use of the light.
- Risk of electric shock if the electrical components are handled incorrectly.
- The product must not be used by children without supervision.
