Article Numbers: 141704, 141703

Safety Instructions:

- Use the chair in accordance with the instructions and safety information.
- The recommended sitting time is a maximum of 8 hours; sitting for longer periods can pose health risks.
- Maximum load capacity of the chair: 110 kg; overloading may impair safety.
- Ensure that the chair is used on stable, hard floors and use suitable castors to prevent damage to the floor.
- When using disinfectants, first test on a less visible area.
- Check the chair regularly for wear and damage.
- If the chair can no longer be used, dispose of it in accordance with local regulations.
- Remove all packaging materials before use to avoid the risk of tripping.
