Safety Instructions:

- Ensure that you adjust the seat height carefully to prevent it from tipping over. Risk of suffocation due to improper use of the height adjustment.
- Only use the gas spring in accordance with the instructions for correct operation and maintenance.
- First test the disinfectant on a non-visible area to avoid possible damage to the material.
- Ensure that the product is used on stable surfaces to prevent it from slipping. Risk of slipping due to insufficient stability if used improperly.
- Do not exceed the maximum user weight (110 kg).
- Keep out of the reach of children to avoid the risk of injury.
