Safety Instructions:

- Avoid using the product on unstable surfaces.
- Observe the maximum load capacity of 5 kg and avoid overloading.
- The product is not suitable for children. Keep it out of the reach of children to avoid accidents.
- The charging connection should only be used with suitable accessories.
- Make sure that all moving parts are free of obstacles to avoid crushing.
- If handled incorrectly, there is a risk of injury due to the adjustable tilt angle.
- Using the accessory tray for non-compatible devices can lead to overheating or short circuits.
- Ensure that the product is correctly installed and stable to prevent it from falling over and causing injury.
