**Article Numbers:** 167827, 167826, 167825

### Safety Instructions:

- Make sure that your printer can handle thick and heavy material before printing the magnetic signs.
- Keep the magnetic signs away from children as they may contain small parts that could be swallowed.  
Not suitable for children under 3 years of age due to choking hazard.
- Avoid contact of the magnetic signs with water or other liquids to prevent damage.
- Do not use magnetic signs in the vicinity of electrical devices or electronic storage media.
- Check the adhesion of magnetic surfaces carefully.
- Make sure that the signs cannot be damaged by high temperatures or moisture.
- Use the printer in accordance with the manufacturer's instructions to avoid damage.
- Do not use on skin as the magnets may contain small metal particles.
- Safe storage of the signs to prevent injuries or soiling.
