Article Numbers: 157707, 157706, 157705, 157704, 157703

Safety Instructions:

- Observe the maximum load capacity, do not overload.
- Only use the ladder on firm, stable and level ground.
- Check for stability, integrity and damage before use.
- Ensure that the ladder is secure and that the bucket hook is used correctly.
- Do not use as scaffolding.
- Take care when working in the vicinity of electrical installations; observe non-conductive properties.
- Avoid use on wet or slippery floors.
- Always use in an upright position and keep children away from the ladder.
- Ensure safety when climbing by holding on with both hands.
- Use only for the intended purpose, especially for commercial use.
