Please note the technical data of the products!

Article Numbers: 460625, 460623, 460622, 460620

Safety Instructions:

- Check carefully for damage before use and consult a specialist for inspection in the event of irregularities.
- Use only by trained specialists.
- Do not load beyond the permissible load capacity of 300 kg.
- Ensure that no persons are in the danger zone during lifting or transporting.
- Select a secure stand and use on stable, level surfaces to prevent tipping over.
- Wear suitable protective equipment, such as gloves and safety shoes, to protect against injury, especially when handling hazardous substances.
- Clean the drum lifter thoroughly after each use and store it safely to prevent damage.
- Read the operating instructions thoroughly before use and follow all safety instructions.
- Only use the drum lifter for its intended purpose in accordance with the instructions and do not overload it.
