Article Numbers: 460619, 460617

Safety Instructions:

- Only use the drum gripper for the intended 200 litre drums. Attention: Only suitable for transporting 200 litre drums.
- Secure the drum gripper during transport to prevent it from slipping. Always secure heavy loads with a stable stand during transport.
- Wear suitable personal protective equipment, including protective clothing and gloves, when working with hazardous substances. Observe safety precautions when handling hazardous substances.
- Ensure that the drum gripper is checked for damage before first use and at regular intervals. Ensure that the drum gripper is working properly before use.
- Keep the work area free of obstacles to avoid falls and accidents.
- Follow the operating instructions for safe use and maintenance of the drum gripper.
- Do not exceed the maximum load capacity of 1000 kg.
- After use, store the drum gripper in a clean and dry place to prevent corrosion.
