Safety Instructions:

- This partition is primarily designed for commercial use and should be used accordingly. Only use in the intended area of application.
- Ensure that the partition wall is on a firm, level surface to prevent it from tipping over.
- Only use recommended cleaning agents and avoid aggressive chemicals to prevent damage to the materials and to ensure that the partition remains resistant to disinfectants.
- Keep the partition wall away from direct heat sources and take care not to damage it during transport.
- The partition is not suitable for use by children and should be kept out of their reach.
- Check regularly that all parts are firmly tightened to ensure safe use.
- Carry out installation in accordance with the enclosed instructions.
- Avoid direct contact with the partition wall when cleaning.
- Provides protection against droplet infections.
