Article Number: 139873

Safety Instructions:

- Take care when handling electrical equipment; ensure that the pump is properly installed and connected to avoid the risk of electric shock.
- Observe the maximum operating time; a maximum of 30 minutes working cycles is recommended to avoid overheating.
- Do not use for the transport of foodstuffs or hazardous liquids unless specifically advised by the manufacturer.
- Do not use the pump in damp environments without suitable protection to avoid the risk of short circuits.
- Only use the electric pump in the intended area of application (biodiesel and diesel) to ensure the safety and effectiveness of the appliance.
