Safety Instructions:

- Before using the electric pump, ensure that the power supply meets the technical requirements.
- Avoid contact with water to minimise the risk of electric shock.
- The pump is not suitable for transporting flammable liquids. Only use it for lubricants.
- Keep the pump and hoses away from heat sources and direct sunlight.
- After use, disconnect the pump from the power source and store it safely.
- Smaller parts and accessories should be kept out of the reach of children.
